Message:

I strongly believe that the Governor of Texas and President Trump want to take our country back to a time where people of color did not have a voice in electing its governmental leaders. History has shown time and time again that extreme political grads to control a peoples right to vote for a particular candidate does greater harm than good for the state and country. I ask you to please stand up against authoritarian and fascis tactics that seek to control the people of Texas and the UnitedS tates of America.

Respectfully submitted,  
Alfonso H. Ortiz
