Message:

I do not support the redistricting proposals that are a clear attempt to alter the outcome of midterm elections. The people of Texas should be accurately represented and this redistricting will skew the results of elections. If we live in a democracy, we should act like it. The way you vote will affect the way your constituents vote. We see what is happening and I urge you to prevent this from passing and getting our state and our country that much closer to fascism.
