Message:

This redistributing effort is a blatant attempt to unfairly skew Texas elections and to rob democratic leaning voters of their voice. We redrew lines after the last census, already skewing right, and yet at the behest of the President, the far right is trying to do it again - a sad attempt to suck up to a President who is no more a Republican than I am. We've got plenty of actual problems in this state - stop wasting time and money currying favor with a corrupt federal regime and start representing the interests of ALL Texans. You swore an oath - act accordingly.
