Message:

This is shameful behavior. Donald Trump did not vote you in. The people did. He will continue to be a piece of garbage president and will continue to make everyone's life worse (except for the billionaires of course). Even if you are stupid enough to pass this redistrict nonsense, everyone will still be angry enough to vote you out anyways for being his little lap dogs with NO SPINE. You will be remembered in history as one of the many useless politicians that allowed that geriatric orange felon to break our country. You are gross for considering it, no one likes you and your mom is hella embarrassed you're her child.
