Message:

Please do not allow further gerrymandering in this state. We have had over 30 years of republican policies that do not work for every Texan. Also, it is completely racist to redistrict 4 districts that are led by minority leaders. Whether the GOP likes it or not their state isn't made up of just white people, it has a wide array of ethnicities that deserve to have their voices heard. Please for once do right by Texans!
