Message:

Please do not let this happen. This is illegal and unjust. Governor Abbott does not care about Texas nor its people , this will only hurt us. The Trump administration should have no say in who gets seats in the mid terms . Enough is enough , voting has to be done correctly. What they are planning on doing is corrupt and should not happen . This is 2025 open your eyes people , if you want a bright future this must end now . Enough damage has been done by Abbott , and the trump administration. It's time to take over and do what's right and constitutional.
