Message:

I am writing and submitting this testimony in opposition of efforts to redistrict a.k.a. gerrymander. I am a concerned, private citizen, who sees that there is no reason to redistrict as there are lawsuits against redistricting that occurred in 2021. Furthermore, the same Republicans who are pushing for redistricting are the same individuals who testified that the current map is legal. Do not capitulate to Trump. Serve the people as you were elected to do - not a false king who serves no one but himself; your compliance with fulfilling his demands is wrong and you are very aware of this.
