Message:

Our democracy is meant to be determined by and for the people, not by and for one political party or politician. Stand against redistricting at the behest of the governor. It is not in the best interest of the people you serve. Stand up for fair and equal representation. Do the work to earn the votes. Don't take them. That is NOT your job. Do the work of defending our democracy no matter who is in charge. It is what is right.
