Message:

I am against redistricting at this time especially since it is at the behest of trump. this is the Texas version of trump trying to pressure Brian Kemp and Brad Raffensperger to break the law and overturn President Joe Biden's victory. the only difference is that abbott and the texas republicans don't have the backbone to do the right thing. this is clearly a power grab because trump and the republicans are deeply unpopular because they don't know how to govern and have no interest in doing what's best for the average citizen. the Texas legislature should be focusing on bringing aid to the victims of the Kerr county flooding.
