Message:

We expect our leaders to be men and women of honesty and integrity and to do what is right.

We expect of you NOT to budge to demands from the President to get 5 more congressional seats here in TX to be able to keep a majority in Congress. This is what is heard all around our state. That is NOT acceptable.

We look up to you to do the right thing because it is right.

Think of yourselves, your families, and us, the people you are called to represent by doing what is right for the People and our country. We need to uphold the Constitution.

Thanks for your attention to my comments.
