

Date: 2025-07-25
First Name: Angela
Last Name: Walden-Hulme
Title: N/A
Organization: Self
Address: 
City: Sweetwater
State: Texas
Zipcode: 
Phone: 

Affirm public info: I agree

Regarding: Congressional

Message:

I oppose any attempt to redraw district lines outside of the census cycle. Redistricting outside of this process is nothing more than political gerrymandering, designed to manipulate power rather than represent Texans fairly. Districts should be drawn using impartial criteria, without regard to race, political party, or other manipulative factors. Anything less erodes the democratic foundation this country was built on and silences the voices of everyday Texans.
