Message:

Regarding SB 4 (Texas congressional redistricting):

I am strongly opposed to SB 4 and any legislation which would permit Congressional redistricting (gerrymandering) in order to artificially under-represent Democratic constituents. This is tantamount to creating a single party system and further degrades the system of democracy in Texas. It nullifies equal representation by our elected officials. Both parties should recognize that this type of manipulation is not consistent with a free democracy.
