Message:

I was born, raised and have lived most of my life in Texas. SB 4 is a sign that Democracy is aggressively being corrupted by the Governor and Republican Legislators of Texas. SB-4's only purpose is to steal my right as a United States Citizen to vote and be represented by the Legislator of my choice. This will also become a poison pill since it will lead other states to use the same tactic to countermand Abbott's response to Trump's bidding. HB-4 is bad for Texas and awful for the United States. Please as a Legislator sworn to support Democracy, to support our state and to support our country, do not vote for this bill. Thank You
