Message:

Please do NOT further gerrymander the districts and rob the voices of those democrats living within currently represented Democratic zones. I am currently being ignored by Wesley Hunt, John Cornyn, Ted Cruz, and others because the redrawn district I live in has made sure that I do not count as an American. This redistricting system is not fair to either party. This redistricting system has nothing to do with who we want to represent us, but rather which politicians want to maintain power. Fair representation can be achieved, but the system as it now exists is a cheat for the political system that wants to ensure its own power. There should be a fair way to determine one voice, one vote. Gerrymandering is corrupt. The fact that Trump has already determined there is a way to carve out Republican outcomes in formerly Democratic districts shows that voters voices are going to be erased.
