Message:
Like the vast majority of Texans, I completely oppose any effort to redraw the voting districts in Texas. There is absolutely no reason to do this. I understand that the US president has asked you all to do this, but he doesn't live in In Texas and he does not get to decide what we do here. Everyone knows clearly this is an entirely political, partisan, immoral and probably illegal way of doing business and running a democracy. You have to know that this is wrong, and I totally expect all of you to stand on your own your feet and do what is right for Texas and for our country.
