Message:

Political gerrymandering is a LOSING idea for Texas voters and an unjust way for officials to chose their voters instead of voters choosing their officials. This mid-decade redistricting attempt is CLEARLY only to rig the system to yield more republican winners and unfairly takes away the voices of your constituents and suppresses electoral competition.

We the people see through the charade from the DOJ as an unfair attempt to silence voices and that is NOT OK. Greg Abbot created these lines, let them stand where they are and don't gerrymander and silence Texas voters.
