Message:

I strongly oppose Plan C2308 for Congressional Redistricting.

This plan does not reflect the true diversity or political makeup of Texas. Instead, it appears designed to dilute the voices of minority communities and favor one political party over others. Fair maps should be drawn based on community representation, not partisan advantage.

Texans deserve competitive districts that reflect our growing and diverse population—not gerrymandered lines that undermine democracy and suppress voter power.

I urge the committee to reject Plan C2308 and adopt a fair, transparent, and nonpartisan redistricting process.
