Message:

I dont understand why GOVERNOR GREG ABBBOTT is moving so fast to redistrict Texas, yet he still hasn't set a date for a special election. Houston needs to fill out congressional seat that has been VACANT SINCE Sylvester Turners passing. We need PROPER REPRESENTATION and its so unfair he wants to redistrict TEXAS SO QUICK BUT CANT HAVE THE SAME ENERGY TO SET A DATE FOR OUR SPECIAL ELECTION. Also GERRYMANDERING IS illegal on the basis of race however that is extremely hard to prove so they get away with saying they've drawn the maps for partisan reasons only. Gerrymandering is the polite way to describe what Trump, Abbott, and other GOP members are doing in Texas! POLITICAL MANIPULATION AT THE EXPENSE OF TEXAS VOTERS. The way these "Congressional Map's" are being drawn LITERALLY HAS BLURRED OUT HOUSTON AND OTHER MAJOR DEMOCRATIC CITYYS. If republicans see they are losing they will find(cheat) ways to make what they are doing ok. We the people are tired of all the CORRUPTION that is going on ever since someone came into office. We the people have a right to protest and demand justice no matter what it is.
