Concerning the current re-districting special session:

Congratulations! I have never been a registered member of any party and am now embarrassed that I have actually voted for a

Texas Republican in the past. Won't happen again.

Y'all have turned into spineless ass-kissers whose fealty is not to your Texas constituents but to Washington elites and a

President who has one of the worst approval ratings in history.

You know who he actually is. The evidence has been there for 40+ years. Your shameful power grabs are obvious and shameful.

Here's hoping you can sleep well.
