Message:

Dear member of the committee,

I am writing as a concerned constituent to express my strong opposition to the recent redistricting efforts in Texas.

These new district maps do not reflect the true diversity and growth of our state. Instead, they dilute the voting power of communities of color and undermine the fundamental principle of fair representation. Every Texan deserves an equal voice in our democracy, regardless of race, background, or political affiliation.

I urge you to stand up for a transparent, nonpartisan redistricting process that upholds the Voting Rights Act and ensures that every vote counts equally. Please advocate for maps that reflect the actual population shifts and protect the rights of all Texans, not just those in power.

I will be closely following your actions on this issue.

Sincerely,
Ashley Ramos
Rowlett Tx
