Affirm public info: I agree

Regarding: Congressional

Message:

I strongly oppose the proposed redistricting plan for El Paso. This map does not reflect the will or best interests of our communities. A proposed split weakens our collective voice and divides neighborhoods that should be represented together. It appears politically motivated and undermines fair representation for El Paso residents. We deserve a map that keeps communities together and respects our voices at the ballot box. Voting is the Cornerstone of Democracy. It should represent the people!
