Regarding: Congressional

Message:

Please ensure that congressional redistricting is not based solely on political affiliations of the Texas population. I am a registered Republican who is increasingly ashamed of the actions of my Republican representation and increasingly cynical about the ethical integrity of that representation. I fear that true, balanced, fair representation in our state is being willingly cast aside so that those in power can brow-beat rather than represent their constituents. Please adhere to guidelines that treat everyone in this state equally. Don't support redistricting for the purpose of favoring any incumbent, candidate, or party. Don't support redistricting based on partisan favor. Don't support redistricting with the sole purpose of safeguarding power.
