Phone: [REDACTED]

Affirm public info: I agree

Regarding: Congressional

Message:

I want to know why the good people of Texas should put up with all your stealing? You can't win toe to toe with Democrats so you jump and ask how high when Trump says jump! How can you call yourself real Americans when are NOT supporting the majority of your voters? You have become a laughing stock and it will reflect in the history books. Shame on all the GOP trying to cheat!
