DISTRICTING SHOULD BE BASED ON REPRESENTING TEXANS.
***DISTRICTING SHOULD NOT BE USED TO STEAL VOTES**

Senator King, Chair of the Senate Special Committee on Congressional Districts.

HOW CAN I HELP YOU RETURN THE STOLEN VOTES?

As a Patriot and Chair of the committee, you are uniquely positioned to lead Texas in drawing districts based upon representing Texans. This will return thousands of stolen votes.

Senator King you are a patriot. You know that in a representative democracy our votes are measured in representation. You know that when we steal representation we are stealing votes.

I know you are a patriot.

I know you are a champion of fair representation.

I know you do not approve of stealing votes.

Senator King, how can I and others aid you passing representative districts and returning thousand of Texans stolen votes?

Bobby Griffith

P.S. Senator King you are a straight talker. I know you will answer this question.
