Message:

This is an absolute waste of time and MY tax dollars. We just had one of the biggest, most horrific and AVOIDABLE tragedies in this states history and y'all are in Austin talking about things that only matter to people outside of Texas. The Texas state government is an embarrassment. Y'all should be ashamed of yourselves.

If you really think these districts need to be redrawn (which you don't and you're only doing this because Trump said to), then put it to a vote of the PEOPLE of TEXAS. For once, do the right thing for the state, not what you think is the right thing for your career.
