Message:

I'm opposed to the proposition to be heard in this session. There is clear and present danger - paraphrasing the words of President Lyndon Baines Johnson- to the Voting Rights Act of 1965 that can result from such action. Any sitting member of the Texas State Senate who chooses to undermine the standard of this act is clearly out to do the bidding of the "Towering Genius ... thirsting and burning for distinction " as foretold by President Abraham Lincoln in his famous Lyceum Address. It flies in the face of the Constitution and Laws that we are sworn to uphold. Do not go down this path leading to political retribution by other powerful states!

PLEASE VOTE NO!
