Message:

I am 100% against the Texas government illegally and prematurely redistricting the state without proper consideration of the lives, experiences, or the wants and needs of Texans that the Texas government is supposed to serve. This is a very obvious attempt to further corrupt the Texas government to keep Texas voices out of the equation. For the Texas government to be so right leaning, they sure are putting a lot of power in the governments' hands and not in the hands of the people. And I'm not a Republican, but from what I hear about Republicans, they don't like the government getting too big and powerful. This is only serving the government and its donors. Put Texans first.
