Message:

The Congressional maps were redrawn following the census of 2020 and the Texas maps were just revised by the Republican controlled legislature four years ago. It is an egregious overreach by the legislature to redraw the maps purely at the request of President Trump in an blatant effort to effect the balance of power in the House of Representatives. Governor Abbott has already blocked voter representation in TX-18 by refusing to hold a special election for replacement of Rep. Turner. I am very satisfied with my representative, Lizzy Fletcher, and have no desire to have her redistricted. I recommend swift legal action to stop this redistricting!
