As a multigenerational Texan, born and raised in East Texas; I hold heavy value in what the great State of Texas represents. This state represents freedom and justice for all; however, we have lost that narrative to the Alt Right awing propaganda. I grew up working class and have worked for the state through TDCJ, so I have seen all walks of Texans. I can assure you that redistricting Texas will remove the chance at change for our state. I did not spend years of education in criminal justice and economics and now pursuing a masters to ignore what is happening. Texas has turned into a severe right wing borderline Nazi state by following the commands of a horrible president that thinks he is a dictator. He doesn't represent me or my vision for Texas. Republicans are shaking in their boots to lose control of such a power house state. GOD SAVE TEXAS. Long live Texas.
