Message:

I am extremely upset that the Republican Party bends the knee over anything President Trump requests. There is apparently no consideration given as to whether it's what your constituents want, nor whether it is in the best interest of the American people. The redistricting of the state at this point in time is outright fixing election results and you know it. There does not appear to be one iota of morality left in the Republican Party. It is especially rich that Greg Abbott was incensed over Democrat representatives leaving the state in order to block the vote on the issue, given Mike Johnson recessed congress early in order to avoid a vote on legislation related to the release of the Epstein files. Didn't hear any of y'all griping about THAT. I have two sisters that I would consider full-blown MAGA people and even they are sick of your nonsense. Please vote against redistricting.

I'm 68 years old. I am not a person that votes straight party ticket, but I refuse to vote for any republican in upcoming elections.  
Enough is enough.

Sincerely,

Candy Shepard
