Message:

I am vehemently opposed to this matter. It disadvantages people of color and other marginalized groups, weakens elections, and erodes democracy.

This is a waste of financial resources and I expect you to do better for the people that you represent. Instead of an exercise that reeks of political desperation, perhaps you might consider actually doing the job you were elected to do, listen to the people in your district, entertain bipartisanship, and make an honest attempt to calm the polarization in this state by respecting the rights of all Texans to have their vote counted.

I can assure you that my own financial resources and time are being put to use to bring further attention to this blatant power grab. Particularly with the Independent voters in my life.

Thank you for your attention to this matter.
