Message:

I am deeply disturbed by the actions of the senate on the matter of redistricting in order to hang on to power at the national level. It is quite clear in 'ALL' of the polls that the vast majority of american voters disapprove of the actions of the present administration. Your, thinly veiled, attempt to dilute the power of the voting public to allow the administration to continue is not going unnoticed. If history is any guide, this will not go well and retribution will follow.

Almost to a person, my circle of folks are discussed with the new GOP and it's antics. We do not understand the reasoning behind this attempt. It appears that the GOP is really no longer a party for the people of Texas but more of a pack, with local lackey leadership, who get their marching orders from far away in DC.

Sincerely,

Charles Martin
