Message:

Texas already redrew its congressional maps in 2021, but now Donald Trump has demanded Governor Greg Abbott and national Republicans do a second redraw, not because of new Census data, but to protect their grip on power as MAGA extremism loses ground. In response, Governor Abbott called a rushed special legislative session just one week after devastating floods hit communities across the state, choosing political manipulation over disaster relief. Citizens of Texas want him to prioritize the disaster relief and stop this mid-decade redistricting. It's nothing but a calculated, anti-democratic power grab.

Texans want a process that is transparent, accessible and fair to EVERY VOTER IN TEXAS. THIS IS NOT FAIR AND NOT DEMOCRATIC!!!

STOP THIS ATTEMPT TO STRIP FAIR AND EQUAL REPRESENTATION OF TEXAS CITIZENS!!!! LEAVE THE MAPS AS THEY ARE -- truly reflective of the diversity of our state.
