Message:

Oppose SB 4

The Senate members were elected to represent the citizens of this state, who overwhelmingly oppose these irregular changes, not to

do the bidding of the President, whose unpopular policies have put him at risk of losing the House.

The real problems of Texas: flood relief, emergency and natural disaster preparation, water projects, and more should take priority.

NOT this unnecessary redistricting to help a desperate president.

The process has lacked transparency, and will be challenged in court, resulting in a waste of time and taxpayer dollars.

Pop up Gerrymandering in Texas will spread to other states, leading to chaos and litigation ahead of the 2026 mid-terms.

We do not need this.
