Message:

I urge you to oppose all efforts to gerrymander Texas' congressional districts, and encourage you to advocate for an IRC for future redistricting efforts. I am disgusted that Texas leadership is resorting to a blatant power grab because they are worried more about politics than the needs of Texans. Time to start remembering Texas doesn't belong to politicians...it belongs to the people. This is yet one more negative in my disillusionment with Republicans in Texas leadership, and the Party itself. It has lost my vote.
