Message:

I oppose SB4 the mid-decade redistricting map dropped on Texas voters less than a week ago. The speed and process and secrecy of the House committee's map (now adopted in HB4) is icing on the cake to a "request" by Donald J Trump to the TX Governor and on down the line of obedient Republicans. The DOJ letter is a sham. Thousands of Texans have opposed this redistricting, the speed of the hearings, the limited opportunity to address the map itself, and the partisan racially-motivated boundaries set forth in SBH/HB4. I am outraged at the destruction of communities of interest in Dallas and Tarrant Counties and elsewhere in the state. I am particularly appalled at CD32 - my Dallas County district - now stretched like silly putty to near the Louisiana border! I respect my East TX neighbors, but our but our urban/rural issues are very different and our efforts to unite and speak to our similar goals is almost impossible over the vast mileage of our district. This is wrong! Vote against this rigged map and the shameful process to bring it before the Senate.
