Message:

If you follow through with gerrymandering Texas even more, you are doing a disservice to your constituents. You forget that you work for the people of Texas, not for your corporate donors and not for Donald Trump. We don't want this, we want you to fix the problems of this state. Lack of affordable housing, lack of availability to fresh fruits and veggies. Texans need you to do work for us, not for the pedophile in the White House. If you have to cheat to win your seats then you might want to take a good long look at yourself and wonder where you went wrong morally.
