Message:

My name is Cecilia Murphy, and I am a resident of Austin, ZIP  in Travis County.

I am submitting this public comment to strongly oppose the proposed congressional redistricting plan, SB 4 (Plan C2308). This plan appears to be a clear partisan gerrymander that weakens the voting strength of minority communities in Travis County and fragments our neighborhoods, undermining fair representation and community cohesion.

Austin deserves congressional maps that keep our communities together and reflect the diversity of our region—not maps designed to predetermine political outcomes. I am born and raised in Austin and loved here for 37 years and care deeply about ensuring my community has a fair voice in Congress.

I respectfully urge the Committee to reject this map and adopt a fair, transparent redistricting process that upholds the principles of representative democracy and protects the voting rights of all Texans.

Thank you for considering my comment.
