Message:

The Texas redistricting attempt is a harsh way to silence the voice of opposition party and a petty grab at power. In Texas the people's will should be heard through our votes not through gerrymandering. If Texas was as conservative as Governor Abbott says then why are the votes from the previous presidential election almost 50/50 (specifically 42.4 to 56.3) but the proposed map gives democrats a smaller voice. It makes no sense.
