Message:

If you love Texas as much as you say you do, then your actions should match those words by rejecting a redistricting map drawn by a NON-TEXAN who does not care about Texas, but only about making YOU do what he wants to you do. If you have any courage at all, I ask you to find and use it now, and reject this racially gerrymandered map. This is not about you. It's about ALL TEXANS. And if you care about ALL TEXANS, you will stand up and reject this awful map for ALL TEXANS. If you do not, your actions speak louder than your words and will fully demonstrate whether you do have courage, and if you care about ALL TEXANS, or if this is just a dog and pony show and you are really just out for yourself. I ask you to reject this mid-decade redistricting mess and please focus on the real problems of ALL TEXANS. Because this is not one of them. If you are unaware of the real problems in our state, please find that courage I mentioned earlier and hold a town hall. Your constituents will let you know.

Thank you.
