Message:

This attempt at redistricting is a blatant, corrupt power grab despite what Texans want, deserve, and vote; all while real Texans in need of flood relief are being ignored. This is blatantly partisan gerrymandering at the behest of Trump to deliver the 5 seats he asked for. It is cheating Texans out of our democratic process. We must stand up to tyranny. We must fight for our democracy with everything we have. We must take care of our fellow Texans and ensure they have aid and support in the wake of tragedy. Texans will not cater to the whims of a racist conman. We must hold the line against fascism and say NO to this radical and dangerous attempt at redistricting.
