Message:

I have serious concerns about the possible redistricting initiatives you are considering for Texas. This state was founded as an independent state. The individuals living in this state want confident lawmakers who make decisions for the people of the state.

Blindly following federal 'mandates' is not how Texas operates. Remember the citizens of Texas you are alienating by initiating these changes. This is wrong and is against what Texas is founded upon.

Stand up for Texas and do not manipulate districts in this manner.
