Affirm public info: I agree

Regarding: Congressional

Message:

I strongly oppose the Republican attempt to redraw five congressional districts for the reasons given by the Republican party: to increase Republican seats and to support President Trump's goals. These are NOT constitutional reasons to redistrict in the middle of a ten-year period.

Further, Republicans were in the majority in 2021 when the current district lines were drawn and believed them to be acceptable then. Why do the same Republicans now believe there is something wrong with the district lines they drew?

Finally, the Republican plan for redistricting again, removes minority districts and is therefore racist.
