Message:

Stop the steal! Texas. DO NOT support mid-decade redistricting. If anything, we want MORE opportunities for the voices of our black and brown neighbors to be amplified. Texans are not to do the bidding of the federal government - Texas politicians are meant to serve the people here in Texas. We want fair representation in our voting, not gerrymandered maps which are CHEATING. That's loser behavior, to use Gov Abbott's choice words. Only losers cheat because they know they cannot win fairly. Take a stand for Texas and do what's right: stop the steal!!! Cease the redistricting, stand for DEMOCRACY and uphold the values of honesty, fairness and representation that is for the people by the people.
