Message:
Everyone sees this for what it is: a political stunt, not a civic duty. You're only redistricting because Trump told you to, so the Republican machine can tighten its grip and drown out the voices of everyday Texans through even more extreme gerrymandering.

It's shameful. The Republican leadership in Texas has lost the courage to stand for the people they claim to represent. When the federal government demands obedience, you don't push back. You trip over yourselves to comply.

The whole country is watching. The world is watching. And you're not just undermining democracy. You're betraying Texas itself. You are messing with Texas.

We won't forget. Come election season, there will be consequences.

So I suggest you think carefully. Act like the people of this state deserve better, because we do.
