Dear Leaders,

I hope this finds you well. I'm reaching out as I expect you share my commitment to the rule of law and ethics. I'm deeply concerned about the uncharacteristic midterm voting map re-districting. Changing the rules in this way sets an ugly precedent.

As a mother of young children, my focus is always considering what we're leaving our babies. There have been other times in our history where we have had to decide whether we want to keep our republic. I implore us to maintain our systems so they can stand strong despite the changing tides of public opinion.

Please consider exercising your power to encourage us to follow the previously established guidelines.

Thank you,

Cydney Albert
