Message:

“The current redistricting scheme in Texas is not just gerrymandering—it’s a calculated move in a larger authoritarian playbook. When Donald Trump says Republicans are ‘entitled to five more seats’, he’s not speaking as a public servant but as a ruler claiming territory. This is not democracy. It’s the normalization of fascist logic: entitlement over representation, power over people. As a coastal Texan, I reject this betrayal of our communities and our voices. I will not be redistricted into silence.”
