Message:

I am a Texas resident asking you to vote No on SB4.

Texas is home to one of the largest Black populations in the country and the second largest Latino population in the country. But instead of making sure everyone has a voice, SB4 is designed to split our communities apart so politicians in Austin can choose their voters instead of us choosing them.

This is unconstitutional and when lawmakers try to rig the maps, they silence working-class Texans and weaken the voices of the very people who keep the lights on in Texas.

Do the right thing; it is your constitutional oath to this country to uphold these laws. Stand with the people of Texas, not the D.C. elites.

Thank you,
