Message:

Republicans, you who want to steal the next election in 2026. You should be ashamed of yourselves. You constantly have to cheat to win. If you are the supposed party of the Texas people then you should be winning without these blatant methods of stealing or inhibiting votes and voices. Why are you so afraid of people of color and their needs and opinions. They have the right to be heard just like you do.

You have been rigging elections from the beginning for the Republican party. You know you do not speak for the majority of Texans and so like a petulant child you flip the board and declare yourself the winner or call the Democrats the cheaters. You are afraid that if you had fair an impartial elections you would lose every time because of your regressive policies that take rights away from the marginalized. This is not just minorities but those who are not affluent. You pander to the rich because they keep you funded to keep up your tyranny over the the 99% of us who you feel don't matter. We do matter and we will keep fighting these regressive, illegal tactics to steal our rights away. SHAME! SHAME! SHAME! ON YOU ALL!

THE RIGHT IS REMAPPING DISTRICTS TO WEAKEN BLACK AND BROWN VOTING POWER—AGAIN.

“The only way that you get here is by making sure that you trample upon the rights and the liberties and the voices of minorities.” - Rep. Jasmine Crockett
