What are yall doing? Get your shit together! No one has asked for these changes. Maybe focus on things the state actually needs. Like the kerrville floods and the emergency alert system that failed. If Republicans are sooo sure they are “doing what’s right” for their constituents then why do we need to redistrict the state? If they are doing everything right they shouldn’t be worried about upcoming elections. Stop bowing down to that Cheeto in office and do, what I thought was obvious to most, the right thing! Focus on things our state actually needs. I hope every republican voting for this gets voted out of their seat. The tides are turning on you republicans and it’s up to you to decide what’s more important the Cheeto or the people who actually voted to put you in the seat you’re in now. Don’t forget you work for US!
